About Viva

Established Innovators

Leading the ACP industry since 2003.

15 Million M² Annual Production Capacity

State-of-the-Art Facilities Equipped with cutting-edge machinery in Gujarat for high-quality ACP always.

Trusted Material Sources

We source materials only from certified vendors - Hindalco | Duppont | Nippon | Akzonobel | Berger Becker | PPG | Asian Paints.

Fire-Safe

FR Class A1 (HCP), A2,B & A2+(ACCP) in India, ensuring best-in-class ACP.

Customer-Centric Approach

We are committed to customer satisfaction with our value-engineered high-quality products.

USP of Viva

Latest Innovation

Product Composition

Innovation That Leads the Industry

At VIVA, we set industry benchmarks with first-of-its-kind advancements in ACP manufacturing, continuously pushing the boundaries of innovation, quality and design.

1st in India to achieve **Honeycomb Panel A1 Certification**, ensuring the highest fire safety and premium quality.

1st in India to introduce **pre-coated, ready-to-install solid aluminium panels**, delivering unmatched durability, convenience and aesthetics.

1st in India to produce **Zinc Look-like panels**, offering cutting-edge architectural design with aluminium's strength.

1st in India to collaborate on **Anodized ACP X Aloxide**, expanding the quality & variety of anodized aluminium composite panels.

At VIVA, we don't just follow the industry-we lead it.
